

Colleen P. Sorensen is an experienced litigator who is particularly skilled in third-party liability insurance. She represents insurance companies in coverage litigation in federal and state courts at both the trial and appellate court levels. Colleen also regularly advises companies regarding coverage outside the litigation context. She has authored a broad range of coverage opinions, analyzing coverage for claims under commercial general liability (occurrence-based and claims-made), excess and umbrella liability, product liability, pollution legal liability and Bermuda forms. Over the past several years, a significant portion of her practice has been devoted to coverage for life science risks, including hip implants, prescription opioids, NMDA contamination and IVC Filters. She is a member of BatesCarey's Opioid Coverage Task Force.
